

# Dropshipping Web Application - Pricing (Kenya)

This document outlines the estimated costs for setting up a fully functional dropshipping web application in Kenya. It covers domain registration, hosting, and SMS/notification services with sample providers, their pricing, and billing methods.

Component	Provider	Pricing (KES)	Billing Method
Domain (.co.ke)	Truehost Kenya	1,200	Per year
Domain (.com)	OLITT	1,500	Per year
Hosting (VPS)	Truehost VPS Plan	3,500	Per month
Hosting (Cloud Option)	DigitalOcean (USD)	800 + VAT	Per month
SMS Notifications	TextSMS Kenya	0.30 per SMS	Per SMS
SMS Notifications (Alt.)	Africa's Talking	0.80 per SMS	Per SMS

**Notes:**

- Domain pricing is annual; renewal required every year.
- Hosting prices may vary depending on resources (CPU, RAM, Storage).
- DigitalOcean bills in USD, and Kenyan VAT (16%) applies.
- SMS costs depend on volume and provider agreements.
